In short. We collect only what we need to book, perform and invoice your service. We never sell your information or use it for marketing without your consent. You can ask to see, correct or delete your information at any time by writing to info@RennBros.com.

1. Responsibility

1.1 Renn Bros is responsible for protecting the personal information it holds. The President of Renn Bros acts as the person in charge of the protection of personal information and can be reached at info@RennBros.com or (514) 891-7366. Requests, questions and complaints are handled by that person.

1.2 Renn Bros has adopted policies governing the keeping and destruction of personal information, the roles of the people who handle it, and the handling of complaints. This policy summarizes them in clear and simple terms.

2. What we collect

Information	When and why
Name, telephone number, email address	When you book or contact us: to confirm the visit, reach you on the day and send the invoice.
Address where the vehicle is located	To check that it is in our service area and to come to the vehicle.
Vehicle details: year, make, model, VIN, rim size, licence plate	To bring the right parts and to prepare estimates and invoices as required by the *Consumer Protection Act*.
Description of the problem, notes, parking details, photos you attach	To prepare the job and confirm whether it can be done on site.
Payment information	Entered directly into Square's secure payment form. Renn Bros receives only a confirmation, the amount and the last digits of the card, never the full number.
Office-parking consent	If you choose “Office parking”, the date and time you accepted our consent and disclosure.
Communication preference	Whether you want updates by email, text or both.

2.1 We collect personal information only from you, unless you authorize otherwise or the law permits it. We collect only what is necessary for the purposes described in article 3.

3. How we use it

a. to receive, review and confirm your booking request, and send confirmations and reminders;

b. to perform the service, prepare estimates and invoices, and honour warranties;

c. to process the deposit and payments through Square;

d. to answer your questions and complaints;

e. to keep the records required by tax and consumer protection laws.

3.1 We do not sell or rent personal information, we do not use it for profiling, and we do not send you marketing messages without your express consent. Any new use requires your consent, unless the law allows it.

4. Who we share it with

4.1 We share personal information only with the service providers we need to run the business, under agreements that require them to protect it and use it only for the services they provide to us:

Provider	Purpose	Location
Square (Block, Inc. and affiliates)	Bookings, customer records, payments, receipts and invoices	Canada and United States
Netlify, Inc.	Website hosting and storage of the photos you attach	United States
Map and address services (OpenFreeMap, Photon by komoot, or Google Maps)	Displaying the service-area map and checking the address you type	European Union / United States
U.S. National Highway Traffic Safety Administration (vPIC)	Decoding the VIN into year, make and model; only the VIN is sent	United States
Email and messaging providers	Sending confirmations, reminders and invoices	Canada and United States

4.2 We may also disclose information when the law requires or permits it, for example to tax authorities.

4.3 **Communication outside Québec.** Some of these providers keep or process information outside Québec. Before communicating information outside Québec, Renn Bros assesses whether it will receive adequate protection, having regard to generally recognized principles, and relies on written agreements, as required by section 17 of the Act. Information held outside Québec may be subject to the laws of that jurisdiction.

5. Payments

5.1 Payments are processed by Square, an independent third-party payment processor. Card details are entered in a form provided by Square and go directly to Square; Renn Bros never sees or stores the full card number. Square's own privacy notice applies to the payment: squareup.com/ca/en/legal/general/privacy. Square's general terms and payment terms are at squareup.com/ca/en/legal/general/ua and squareup.com/ca/en/legal/general/payment.

6. Website, cookies and technologies

6.1 rennbros.com does not use advertising cookies, analytics trackers or any technology that profiles you.

6.2 **On your device.** If you tick “Remember my details on this device”, your name, contact details, address and vehicle are stored in your own browser (local storage) so the form fills itself in next time. This information stays on your device; “Forget my details” on the booking page deletes it. The site also keeps your theme choice (light or dark) and the address you checked on the map for the current session.

6.3 **Reading a VIN from a photo.** When you use “Scan or upload” for the VIN, the image is read in your own browser. The photo itself is not sent to us; only the VIN is sent to the NHTSA decoder (article 4).

6.4 Our hosting provider and Square record technical data (IP address, browser type, date and time) to keep the site secure and working.

7. How long we keep it

Information	Retention period
Invoices, payments, estimates and the related customer and vehicle information	Six years after the end of the tax year to which they relate, as required by tax laws (Revenu Québec and Canada Revenue Agency), then destroyed.
Booking requests that were declined or cancelled without payment	Up to 12 months, then destroyed.
Photos attached to a booking	Deleted automatically within 12 months of upload.
Office-parking consent	Kept with the booking record.
Details remembered on your device	Until you remove them; we have no copy.

7.1 When the purposes for which information was collected are achieved, we destroy it or anonymize it, subject to any retention period required by law (section 23 of the Act).

8. Your rights

8.1 You may, at any time, by writing to info@RennBros.com:

a. ask whether we hold personal information about you and obtain a copy of it;

b. ask that inaccurate, incomplete or ambiguous information be corrected;

c. withdraw your consent to a use of your information, subject to legal or contractual restrictions;

d. ask that we stop disseminating your information or delete it when keeping it is no longer necessary or lawful;

e. obtain information you provided to us in a structured, commonly used technological format.

8.2 We reply in writing within 30 days. Access is free; reasonable fees may apply only to transcription, reproduction or transmission, and we tell you the amount in advance. We may ask you to confirm your identity.

8.3 If you are not satisfied with our answer, you may file a complaint with the Commission d'accès à l'information du Québec (cai.gouv.qc.ca).

9. Security and confidentiality incidents

9.1 We protect personal information with measures suited to its sensitivity: secure (HTTPS) connections, access limited to the people who need it, accounts protected by strong passwords, and reputable providers.

9.2 If a confidentiality incident occurs, we take reasonable measures to reduce the risk of injury, keep a register of incidents and, where the incident presents a risk of serious injury, notify the Commission d'accès à l'information and the persons concerned, as required by sections 3.5 to 3.8 of the Act.

10. Minors

10.1 Our services are intended for adults. We do not knowingly collect personal information from a minor under 14 without the consent of the person having parental authority.

11. Changes

11.1 We may update this policy. The current version and its effective date are published at rennbros.com/legal/privacy. If a change significantly affects how we use your information, we will tell you by appropriate means.
